Global Arbitration Review and Accuracy invite you to the **4th Annual GAR Live Frankfurt Conference**

Thursday, 29 June 2017

Chaired by: Prof. Dr. **Richard Kreindler**, *Cleary Gottlieb Steen & Hamilton* and **Susanne Gropp-Stadler**, Head of Litigation, *Siemens AG*

Conference topics Include:

- **Session one: Arbitration in Russia – what’s changed since the 2016 reform?**
- **Session two: Emergency and expedited arbitrations – the pros and cons**
- **Fireside chat:** Damages experts discuss whether international arbitration deserves some of the bad press it gets over the calculation of damages, and how counsel and arbitrators can become more literate in modern damages valuation methodologies.
- **Session three: The EU Permanent Investment Court Proposal – will it be fit for purpose?**
- **Session four: The GAR Live Debate:** Motion: “This house believes that document production should no longer form part of the default procedure for international commercial arbitration proceedings.”

All delegates are invited to attend a drinks reception kindly hosted by Allen & Overy
