How to Make the Most of
**Your
Damages
Expert**
in International Arbitration

21 September 2017, 4 p.m.
Villa Bonn, Frankfurt am Main

In cooperation with

Roundtable

We are happy to invite you to the roundtable of the Deutsche AnwaltSpiegel and Accuracy in cooperation with DIS and DisputeResolution

Our roundtable focuses on best practice on expert involvement in international arbitration, as seen from different perspectives: inhouse counsel, external counsel, arbitrators and experts.

Our keynote speakers are experienced lawyers, arbitrators and financial experts, with a strong focus on international arbitration and litigation.

The presentations will be the starting point for further discussions and experience sharing among all participants.

You can look forward to an excellent roundtable discussion with

Dr. Anke C. Sessler

Partner, Litigation and International
Arbitration at Skadden

Dr. Anke Sessler joined Skadden as a partner in September 2014. For six years, before that Dr. Sessler was chief litigation counsel at Siemens AG in Munich. She has extensive experience in complex domestic and international litigation and arbitration, with an emphasis on corporate law, banking and finance, capital markets, joint ventures and M&A.

Dr. Ekaterina Lohwasser

Partner at Accuracy in Germany

Dr. Ekaterina Lohwasser is a member of Accuracy's Forensics, Litigation & Arbitration practice. With more than 15 years' experience in corporate finance, she specialises in damage assessments, fairness opinions, and valuations for transactions as well as fiscal and legal reorganisations. Ekaterina is regularly appointed as an expert to assess damages and complex valuation issues, especially in international disputes (ICC, DIS, LCIA, ad hoc) and she has testified as an independent valuation expert in German court proceedings.

Dr. Clemens-August Heusch

Head of European Litigation
at Nokia

Dr. Clemens-August Heusch LL.M. is head of European litigation at Nokia, responsible for litigation and arbitration throughout Europe, the Near East and Africa, with a strong focus on multinational IP litigation. Before joining Nokia, Dr. Heusch was an attorney-at-law at the international law firm Bird & Bird LLP.

Roula Harfouche

Partner at Accuracy in the UK

Roula Harfouche specialises in contentious valuations and has over 17 years' experience in the assessment of complex damages in high-value international arbitration and litigation cases. She has been appointed as expert, has testified, and has been actively involved in matters in LCIA, ICC, SCC and ICSID arbitration forums and under the UNCITRAL rules, before the UK High Court, the UK Family Division and Patents Court, as well as in mediation.
